

I have received and read the Parent Policies and Procedures Handbook for Grace Presbyterian Church Preschool and a copy of the Department of Human Services summary of Licensing Requirements for Child-Care Centers. I understand my obligation to the program, staff, church, and my child's participation in this program.

**\*\*As a licensed preschool, we are required to teach the State Personal Safety Curriculum. The curriculum covers various children's safety issues. You will receive a table of contents listing the topics to be covered. If you have any concerns or questions, please feel free to contact the preschool director. A copy of the curriculum is on file in the office if you would like to see it**
